She Knows What She Wants

The well informed housekeeper insists upon using only a baking powder which is made of cream of tartar. She might read in an advertisement or be told that alum and lime phosphate, which are used as inferior substitutes in cheap baking powders, were all right in the quantities used but she would not buy them or permit them to enter her kitchen. Why?

Because she knows that cream of tartar has always been accepted as the most wholesome agent, with soda, for raising cake and biscuit, and she wants a baking powder made of cream of tartar, like Royal.

This conclusion is the result of unconscious absorption, either her own or her mother's, of the opinions of the highest authorities on hygiene and home cooking.

The prudent housekeeper, when she uses baking powder, reads the names of the ingredients printed on the label. She knows what she

PUNTA GORDA FRUIT

Finds Favor in Markets-County Growers Optimistic

It is no doubt gratifying to the citrus growers of Punta Gorda and vicinity that the fruit from this section is finding favor in the markets of the country. This is evident from the fact that several special orders have come through the DeSoto county subexchange to the local citrus growers association.

At the late meeting of the directors of the sub-exchange in Wauchula, J. M. Weeks, representing this association, was impressed with the fact that there was a general feeling of optimism among the growers, as good prices ternoon at 3 o'clock. have been received for all fruit shipped thus far and prospects are that future shipments of Exchange fruit will find ready sale at like good prices.

Mr. Weeks reports that, previous to this meeting, no fruit Worthy Matron, had been shipped from DeSoto county, except that which had left Punta Gorda, it being the on-
